Days with available times will be GREEN; Once you pick your day, you will see available times on that day for an observation drive.

Because we can't double book an instructor with 2 drives starting at the same time, **Observation times are set 5 minutes before the actual drive time.**

If the cell phone field and email addresses are filled and these boxes are checked, you will receive a notification email and text message 36 hours before the drive **allowing you to cancel in time to avoid a late cancel fee** if you are unable to make the drive. You will also receive notifications 6 hours before the drive reminding that you have a drive scheduled later that day.
